

MALAK KHALIFA

EDUCATION

University of Toronto, Toronto, ON
Bachelor of Science, Engineering

PROFESSIONAL SUMMARY

I believe that I have excellent communication skills and will be able to convey a brief and concise message. I work great in a collaborative environment and am willing to learn, knowing it will not be easy. I am passionate about technology and its integration in the real world, and especially applying theoretical aspect of problem solving into business and cooperation.

SKILLS

- Individual and Small Group Instruction
- Clear Instruction and Communication
- Academic Performance Improvement
- Tutoring and Student Assistance
- Analytical and Critical Thinking

PROFESSIONAL EXPERIENCE
